

Life Skills **videos**

The **Life skills videos** form part of the Life skills lessons. They show British teens demonstrating or discussing the Life skills topic in a way that has direct relevance to all students' lives. There are comprehension tasks on the Student's Book page and further exploitation exercises and activities for the video in the Resource Centre.

The video formats are fun and appeal to teens and feature:

- vlogs
- school projects
- street interviews
- role-plays
