3 Listen and read.

Choose your motto and learn it by heart! Use it when you need it!

Poslušaj in preberi. Izberi si svoj moto in si ga zapomni. Uporabi ga, kadar ga boš potreboval/a.

Good, better, best.
Never let it rest.
Until your good is better
and your better is best.

Mistakes
are the proof
that you are trying!

Never say 'I can't'.
Always try!

If you believe,
you can achieve!

Think of something you want to learn to do well. Make a poster to encourage you to improve. Put it on a wall in your bedroom. Look at it every day and practise, because

PRACTICE MAKES PERFECT!
